DURING STAY IN THAILAND

- Wait for the test result for Day 1 and Day 5 at the hotel. Tourists only need to be in isolation/quarantine on Day 1 and Day 5 while waiting for RT-PCR results to be proven negative. On Days 2, 3, 4 - tourists can go on with visiting/holiday activities.
- For short stay visitors (ie. 5 days), Day 5 quarantine is not applicable.
- MorChana App will alert RT-PCR test on Day 5
- Undergo RT-PCR test at the pre-arranged test centre

ENJOY YOUR STAY IN THAILAND

- If testing is negative for COVID-19, travelers are free to go anywhere in Thailand
- Enjoy your stay in Thailand!

THE PEOPLE

THE PEOPLE

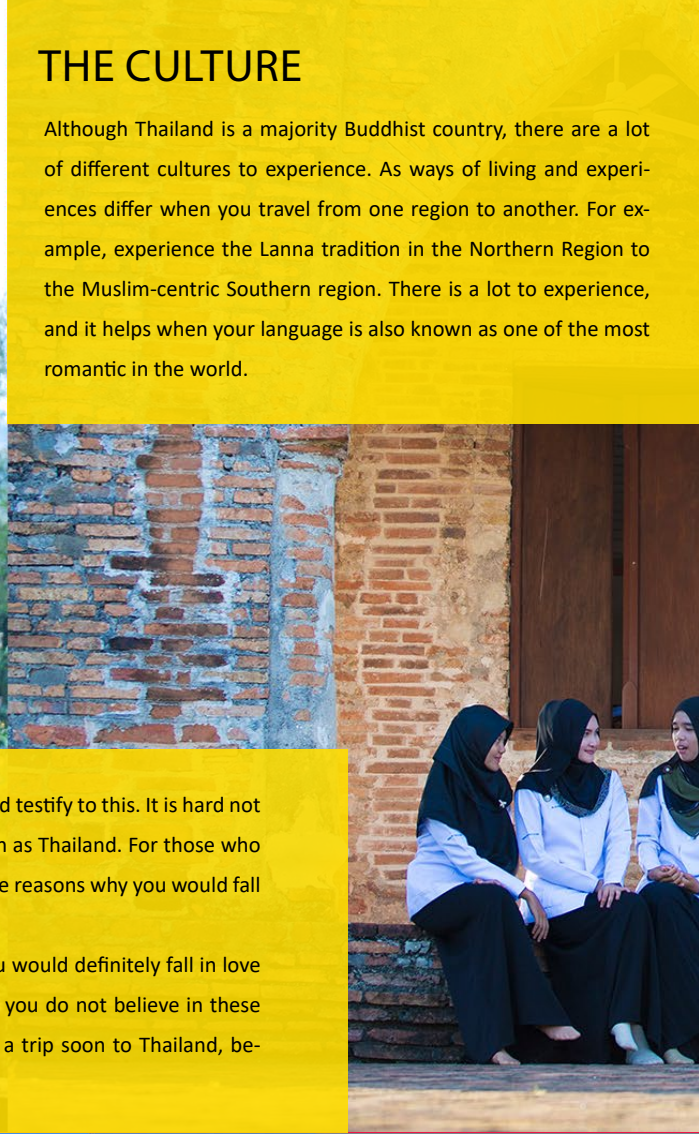

The reason why Thailand is known as the Land of Smiles. The people are really friendly and helpful and will not only smile at you but will definitely put a smile on your face as well. Hospitality is a big why people love to go to Thailand, and it starts with the people there.

REASONS YOU WILL FALL IN LOVE WITH THAILAND

Those who have visited will definitely agree and testify to this. It is hard not to fall in love with an amazing destination such as Thailand. For those who haven't you sure are missing life, here are some reasons why you would fall in love with Thailand.

We list for you a few of many reasons why you would definitely fall in love with Thailand. But a strong piece of advice, if you do not believe in these reasons, a visit to Thailand will prove it. Plan a trip soon to Thailand, because we will surely welcome you.

THE CULTURE

Although Thailand is a majority Buddhist country, there are a lot of different cultures to experience. As ways of living and experiences differ when you travel from one region to another. For example, experience the Lanna tradition in the Northern Region to the Muslim-centric Southern region. There is a lot to experience, and it helps when your language is also known as one of the most romantic in the world.

THE THAI FOOD

THE THAI FOOD

Food has always been the main reason why people visit Thailand and you should not have to wonder why. From amazing street foods to hawkers' stalls from normal restaurants to Michelin-starred ones, it's a food paradise. Taste amazing food from the commonly known dish such as tom yum, Som Tum to a little bit adventurous dish such as Khao Soi. Thailand offers a different touch of cuisines from the South right up to the North.

THE DESTINATIONS

THE DESTINATIONS

Travelling won't be fun without a wide variety of destinations. Sunny beaches and islands in Krabi and Phuket, chilly mountains in Chiang Mai and Chiang Rai, ancient cities in Sukhothai and Ayutthaya to modern cities like Bangkok. That is, a few to be named and more where that came from. Enjoy also lesser-known destinations such as the sporting city Buriram, visit history in Kanchanaburi, or enjoy a trip to Isan. So many choices that you will definitely revisit.

Peek Into Amazing Thailand

All Pink

Many towns in our northern region are now in all-pink and pastel with the wild Himalayan cherry blossoms. Here are some famous scenes from Chiang Mai, Chiang Rai, Nan, and Loei. Meanwhile, in Udon Thani to the upper northeast, their famous Red Lotus Lake is also in full bloom, painting the whole area red, literally.

ROYAL AGRICULTURAL RESERCH CENTER, CHIANG MAI

This center is located inside the Doi Inthanon ranges, offers a beautiful and pinky sight when the hill will be covered with a blanket of pink Wild Himalayan Cherry flowers. This picturesque sight best visit in winter, especially in the mid of January to February.

TON NAM KHUN SATHAN RESEARCH STATION, NAN

The highest peak in Khun Sathan National Park is about 1600 m above sea level and makes a great place to enjoy the over-the-top view surrounded by green jungle and during winter famous for its wild cherry flowers. The camping ground is also available for those to enjoy the stunning sunrise.

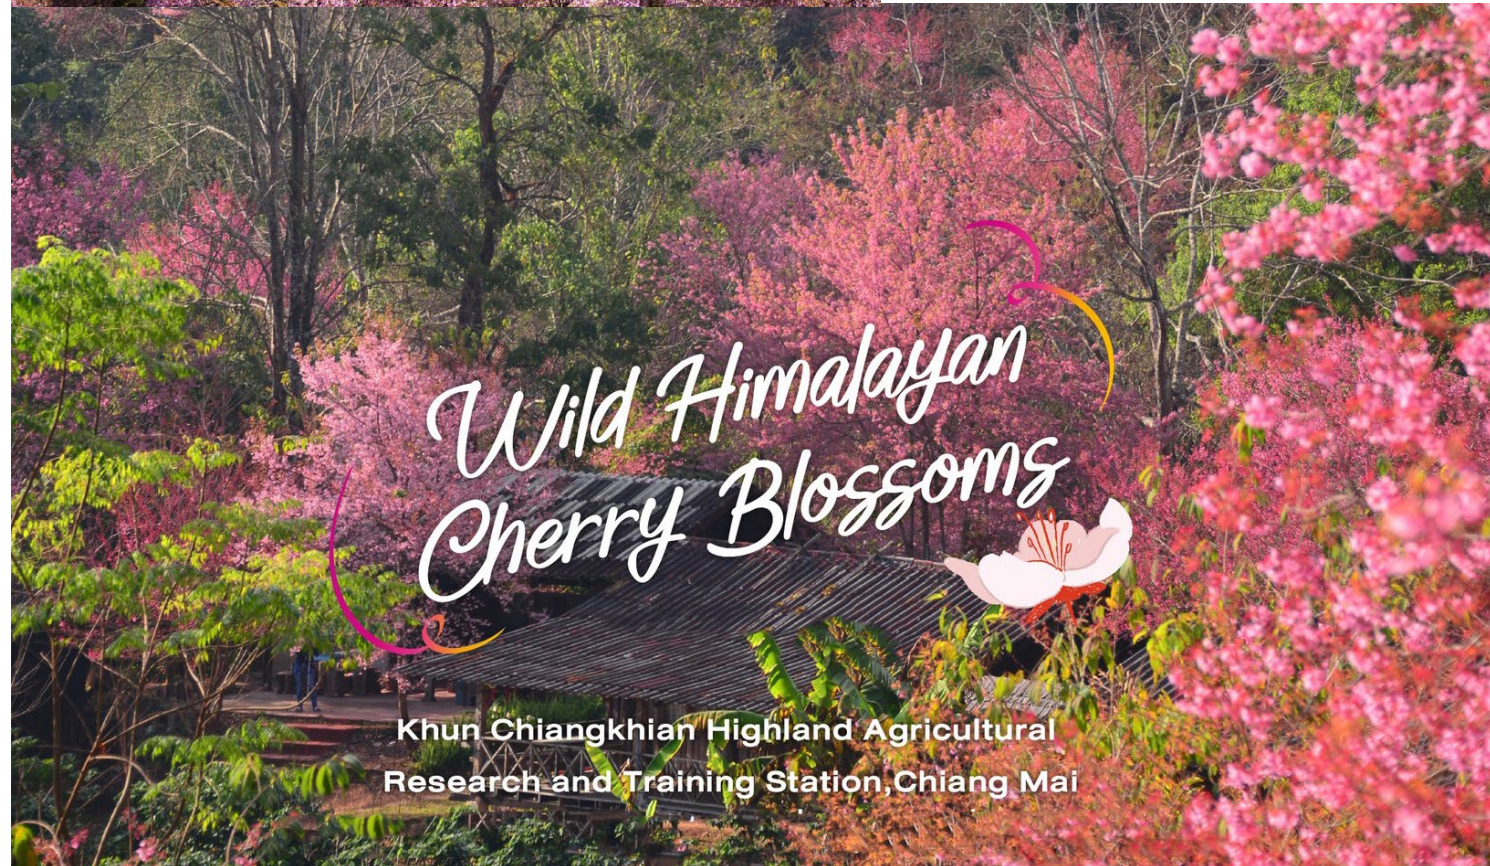

BANPOT WITTAYA SCHOOL, CHIANG RAI

Banpot Wittaya School in Chiang Rai is one of the best places to enjoy the stunning Sakura-like blooming blossom during the cool season in the north of Thailand. Located in Wiang Kaen District, this scene is about 2 hours journey from the city of Chiang Rai.

KHUN CHIANGKHIAN HIGHLAND AGRICULTURAL RESEARCH AND TRAINING STATION, CHIANG MAI

Located in Chiang Mai city, on the same way to Phra That Doi Suthep, Phubing Palace, and Hmong Doi Pui Agricultural Station, Khun Chang Kian are the first station of the Faculty of Agriculture, Ching Mai University. The Wild Himalayan Cherry pink blooming in winter flourishes the beauty of the scenery.

Red Lotus Lake, Udon Thani

Red Lotus Lake or Talay Bua Daeng is located near the city of Udon Thani. This popular lake is known for morning boat tours to view blooming pink water lilies, which is the best visit from October to February.

PHU LOM LO, LOEI

Phu Lom Lo is located in Loei, the upper I-san, a mountain on the border of three provinces namely Pitsanulok, Petchaboon, and Loei. During the cold season, the mountains of Phu Lom Lo are turning pink due to the blossoming of Wild Himalayan Cherry flowers.
